Greenwich Polo Club's Fastest Polo Pony and a Zero DSR Electric Motorcycle**

Greenwich, CT (May 30, 2018) -- Greenwich Polo Club will kick off its 37th season of high-goal polo with opening day on Sunday, June 10th. Sunday's game is open to the public and will feature the first match of the first 16-goal Shreve, Crump & Low Cup. Polo teams Hawk Hill (Philip MacTaggart, Dylan Rossiter, Gringo Colombres and Lucas Diaz Alberdi) and Huntsman (Dillon Bacon, Segundo Merlos, Toro Ruiz and Tomas Garcia del Rio) will take to the field at 3:00 p.m. for an action-packed match, gates open at 1:00 p.m.

Opening day will get started with a race between an electric motorcycle and a polo pony! The event begins at 2:45 p.m. and will feature a [Filipacchi Zero DSR Electric Motorcycle](#) racing up the field alongside one of Greenwich Polo Club's finest polo ponies. With a press of a button, the Zero DSR can switch from Eco to Sport mode, and will have no problem mastering the terrain of the polo field. While the Zero DSR may have the initial advantage, a polo pony can accelerate up to 35MPH in a blink of an eye and can spin a 180 on a dime. Polo players will be driving both the motorcycle and horse in a race for bragging honors of "fastest on the field."

The best ticket to the match is the new Players' Lounge VIP at Greenwich Polo Club, co-hosted by Connecticut Cottages and Gardens and furnished by Design Within Reach. The Players' Lounge will feature a meet and greet with polo players, live music, premium bar with The Cup Bearer and exclusive The Macallan, Veuve Clicquot and Ketel One tastings each Sunday. Tickets are \$150 with access for two guests to the Players' Lounge with VIP parking, bistro and open lawn seating, and much more. Private lounge suites for six, inclusive of food and beverage, are available starting at \$1,500.

Each polo Sunday from 1-3 p.m, fans may also have the opportunity to tour [The Brant Foundation Art Study Center](#), dedicated to promoting the education and appreciation of contemporary art and design, which is located adjacent to the field and is featuring [an exhibition](#) of works by Joe Bradley, Oscar Tuazon, and Michael Williams, on view from May – October 2018.

Just because the match ends doesn't mean the fun has to! The Veuve Clicquot After Polo will keep the good times rolling with live music and DJs each polo Sunday at 6PM by the Pony Bar. For just \$25 per person, polo fans can join the after party, meet their favorite polo players while enjoying a glass of Veuve Clicquot champagne with entry fee. Opening Day DJ will be [Calu Rivero](#).

Greenwich Polo Club continues to elevate the polo experience to make every match an event to remember. Whether fans choose to picnic on the sidelines or go the VIP route by purchasing grandstand boxes or private cabanas, there are plenty of options to delight even the most discerning guests. Fans can enjoy delicacies from food trucks such as Caffe Bon, Dough Girls, Gyro Uno, LongsFord's Ice Cream, Box Car Cantina, Lobster Craft, and more.
